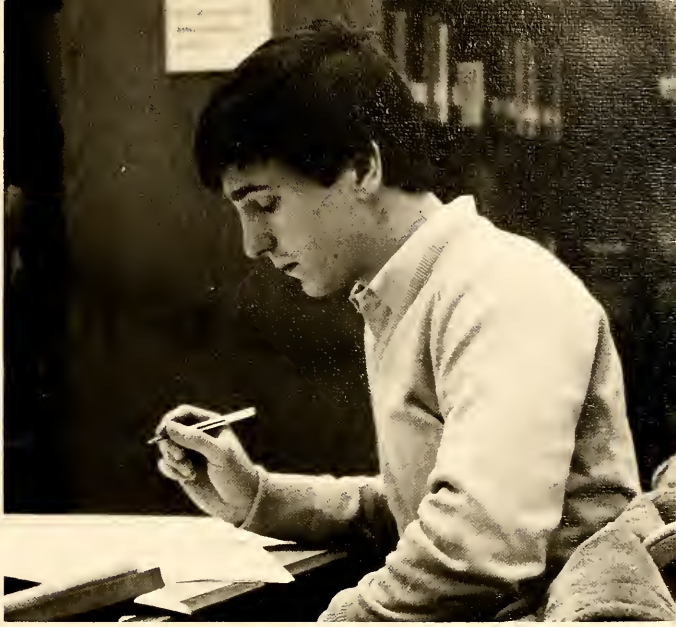
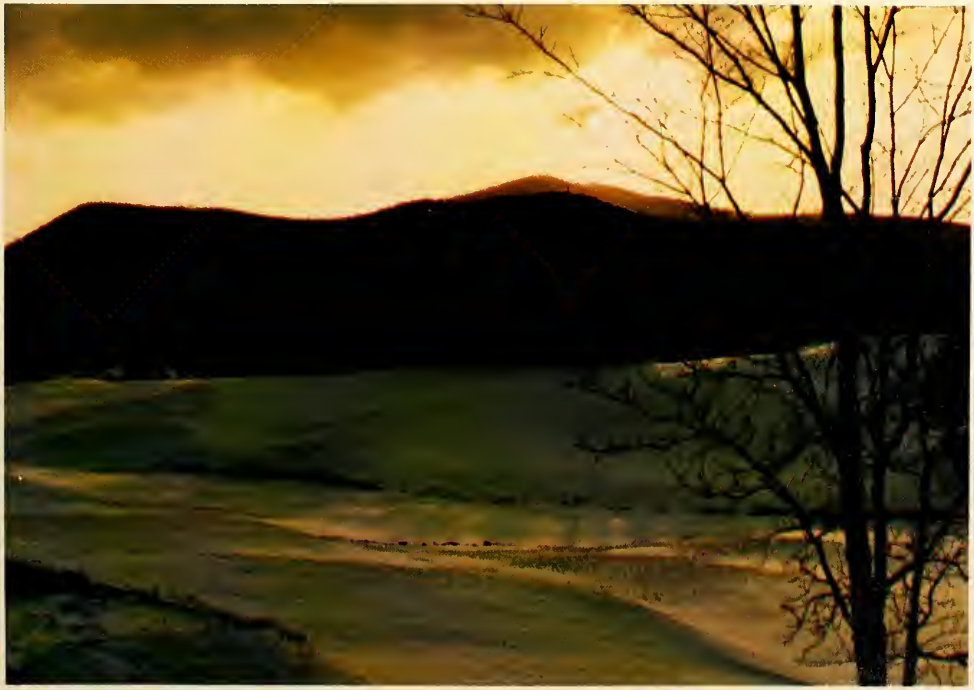
When I consider how my light is spent,
Ere half my days in this dark world and wide,



And that one talent which is death to hide
Lodged with me useless, though my soul more bent
To serve therewith my Maker, and present
My true account, lest He returning chide,

'Doth God exact day-labour, light denied?'
I fondly ask. But patience, to prevent
That murmur soon replies, 'God doth not need
'Either man's work or his own gifts. Who best
'Bear his mild yoke, they serve him best.



His state
'Is kingly: thousands at his bidding speed,
And post o'er land and ocean without rest;

They also serve who only stand and wait.'

John Milton

SPORTS

FALL SPORTS

Every new sports season certain individuals stand out as superior performers. Many times these sports heroes are predictable, but often the greatest heroes are those which are unexpected. The 1979 fall sports season at Hillsdale brought both types of heroes into the limelight.

Probably the greatest hero was freshman cross-country phenom Gordon Sanders. Sanders came out of nowhere to lead the Chargers to a second place finish in the District meet and a sixth place finish in the NAIA National meet. Gordon was personal prestige by winning the District, then placing second in the Nationals to become Hillsdale's first freshman All-American. Sanders so dominated the Charger Cross-Country season as to push fine runners like Peter Colley, Bill Johnson, and Art Kitze into the background.

There were also heroes on the football team, though they finished with only three wins. Few witnesses will forget the heart-stopping climax to Hillsdale's 18-16 victory over Wayne State. Other memories will linger: Nate Johnson dancing through the defence on his way to another long gain; Harold Stevens levelling an opposing runner with a vicious tackle; John Lierman pulling in yet another pass and bulling for a few extra yards; Pat Riepma scrambling out of the pocket and miraculously finding a receiver; mud-spattered Mark McNitt emerging from the opposing sidelines clutching his passing arm. These are memories which will linger when the season record is long forgotten.

There were sports heroines as well. There was Bea Taylor, who led the women netters to a state tennis championship. The remarkably consistent junior won the individual title and had barely enough time to hop the net to congratulate her opponent before hopping off to another court to team with Sue Johnson for the doubles championship. Johnson and Sally Belew also compiled fine individual records, playing at the second and third singles positions.

The women's Cross-Country team was full of surprises. Though the two top runners, Katie Murphy and Marcy Nesbitt, were expected to perform well, few saw the potential of the other runners. Katie and Marcy led the team to a third place finish in the AIAW Midwest Regional Meet which in turn earned them a first-ever berth in the AIAW National Meet in Tallahassee, Florida. The team returned with more than suntans, as Murphy and Nesbitt led the team to a thirteenth place finish overall. Among the surprising newcomers were Karen Hall, who ran in the Regional Meet despite a foot injury, and Amy Van Laar, who had never before run cross-country.

Volleyball also prospered. Inspired by the death of team member Donna Moore, the women overcame an early slump to finish the season with twelve straight wins and an 18-9 record, the best in the history of Charger volleyball. Led by freshmen Sara Walters and Lynn and Karen Bobo, the team set and spiked its way to a fourth place GLIAC finish. Walters won the MVP award and the Bobo twins each earned All-League honors. Other outstanding players included vet-

erans Cheri Harmon and Mary Kaminski. The squad was unable to compete in the state tournament, however, due to problems with the AIAW.

Men's Intramural Flag Football surprised no one as the ATOs met the TKEs in the finals for the umpteenth time. The ATOs played their hearts out in the semi-finals as they downed a strong Persuader team 13-6 in overtime. The TKEs had nearly as much trouble defeating the pesky Circumcisions 7-0 to earn a berth in the finals. The final game was a typical ATO-TKE game, featuring plenty of kicking, gouging, punching, and biting. In the end the TKEs prevailed as Kurt Kern scored all 14 of the TKE points to lead them to a 14-6 victory.

Mass Confusion was, fittingly enough, the champion in Women's Powderpuff Football. The season was full of, well, mass confusion. There were disputes about the rules, numerous rainouts, even a forfeit that wasn't really a forfeit. The season finally culminated in a game that pitted the Mass Confusion squad against the more experienced Chi Omega team. The young Confusion team overcame their opponents 7-6, scoring late in the game on a Sandy Boulton to Candi O'Malley pass and an extra point by Fiona Norton.

The Intramural Turkey Trot was swept by the Big Effort Track Club which consisted of Eric Perttula, Jim Dutton. Bill Nolan, Kirk Zachrich, and Don Henshaw. Perttula, Dutton, Nolan, and Zachrich tied for first, and Henshaw completed the sweep by kicking past track coach Joe Rogers in the last fifty yards.

The fall sports at Hillsdale were extremely successful. Two teams competed in national competition, one team won the state tournament, and another team compiled a best-ever record. But, the thing that ties all these sports heroes together is the fact that they all competed for Hillsdale College. And that is something of which we can all be proud.

Winter Sports

Winter is usually associated in literature with old age and death. But the winter of 1979-80 in Hillsdale sports was a period of youth. Nearly every varsity sport was filled with talented athletes who will return again next year in hopes of improving their record.

Men's basketball was full of talent. Sophomores Ted Hauptman and Willie Scott, and junior Dale Allen returned from the 1978-79 team that missed the NAIA national tournament by only one point. This year, they finished three points from a tourney bid, losing 42-39 to Saginaw Valley in the District 23 finals. Still, there were many high points. Twice Hillsdale defeated their arch rivals, the Grand Valley Lakers. In the District finals, Willie Scott poured in 29 points and dished out several assists. Transfer Johnny Hill was impressive in his first season, averaging 12 points a game and leading the team in rebounding. Scott was voted MVP as he set a new assist record with 197 on the season. Youth characterized this year's team as only Keith Szajnecki graduated.

Even the women's basketball team displayed improvement. After a winless season in 1978-79, the women gained their first victory 52-43 against Tri-State on January 29. From there the women picked up momentum finishing with a 6-8 record. Freshman Karen Hall led the team in scoring and earned MVP honors. Sophomores Mary Kaminski, Karen Schenkelberg, and Jenny Palazeti also added stellar performances.

Hillsdale's hockey club continued its domination of the Jackson men's league, finishing with a fine 15-2-2 record. The Chargers squeaked past Freeman's Roofing 1-0 in the semi-final game. In the finals, Hillsdale trailed 1-0 and 2-1 but came back for a 4-2 win. Bryan Sullivan led the team and the league in scoring with 26 goals and 35 total points. Goalie Boomer Nichols also played superbly, allowing only 1.37 goals per game, and recording a season record of 15-2-2.

Both men's and women's indoor track squads turned in excellent performances. The men's team produced two All-Americans, Dan Gifford and Gordon Sanders. In addition, Charlie Christ, Bill Johnson, and Kevin Kitze lowered their personal best times in their respective events. The women's team shattered records like glass. Katie Murphy again led the way, as she set records in the 1000 meter and one mile runs. Brenda Sloan, Amy Van Laar, and Karen Hall, all freshman, also broke records in their events.

TKE continued its domination of IM sports as they captured the volleyball championship finishing the season undefeated. The TKE's battled the defending champions PSE squad in the finals. TKE won the championship match in two games, 15-9, 15-13 to become 1979 IM volleyball champions.

Only Superbad was able to break the TKE's iron grip on IM honors. The three-time IM basketball champs finished with a perfect 15-0 record. The final four teams also included Koon, Delt Sig, and the SOB's. None of these were able to compete with the power of Superbad, as they gained a 69-62 victory over DSP in the finals.

The TKE's regained control of the IM circuit with a resounding victory in the IM swim meet. Mark Ward won the individual medley and the breastroke and led the TKE swimmers to a victory over the ATO's and the Los Arechos. Tom Gehl turned in a powerful performance, taking a first in the freestyle and a second in the individual medley.

After the TKE's had dried off and put on street clothes, they put another IM championship under their belt with a victory in bowling. Tony Zambrowski led his teammates to a 168 pin victory over the Loop, led by Eric Beltzhoover.

The winter sports provided not only exciting competition but an optimistic view for the future. Both men's and women's basketball teams are very young, as are both indoor track teams. The success of these teams in the winter 1979-80 is but a small taste of what these teams will be like in the years ahead.

Spring Sports

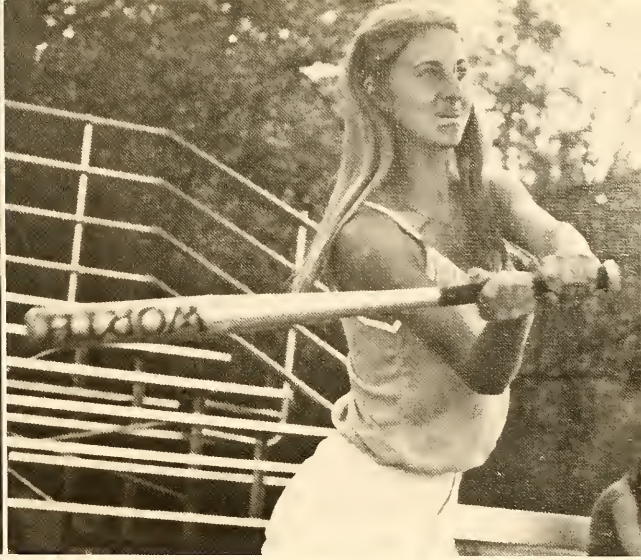
The spring of 1980 was a disappointing season all the way around. Snow was still falling in April and even when it stopped the weather was such that Frosty the Snowman would have asked to have the heat turned up. Hillsdale's spring sports teams were equally frigid, as only the women's track team performed up to its potential.

The baseball team got a slow start due to the weather losing their first six league games. In those games the Chargers were plagued by a lack of hitting that would prove to be their weakness throughout the season. Senior Harold Stevens was the only regular to finish with an average above the magical .300 level as he finished with a .375 batting mark. Pitching, on the other hand, was a strong point. Sophomore hurler John Lierman led the club with a 2.26 ERA and a 4-4 record. Lierman finished the year with a two-hitter against Saginaw Valley. Freshmen pitchers Phil Morgan and Collin Haffey also performed well in their first year. The Chargers finished the season with three wins in their last four games, providing an optimistic outlook for next year.

Men's Track was a disappointment. Expected to be extremely successful, the team did not perform up to its great potential. There were some high points, however. At the prestigious Dogwood Relays, Gordon Sanders set a new school record in the 5000 meter run, and Charlie Christ took second in the 5000 meter race walk. Another high point was the Hillsdale Relays at which the Chargers took first place among nine teams. The greatest disappointments came in the League and District meets in which Hillsdale took fourth and fifth places, respectively. Still, the team was able to send five individuals to the NAIA nationals: Bill Johnson, Dan Gifford, Charlie Christ, Gordon Sanders, and Kevin Kitze.

John Willson's women's track team continued their domination of the Hillsdale spring sports scene. The squad shattered record after record, led by freshman Karen Hall. Hall displayed her versatility by setting school records in the discus, javelin, and 800 meter run, all in the same meet! The high point of the season came at the Hillsdale Invitational. The women totally dominated the home meet, scoring in every event and setting three school records. The truly incredible thing about the performance of the team is the fact that it was composed almost entirely of freshmen and sophomores. Amy VanLaar set new hurdle records, Brenda Sloan set a new shot putt record, and Karen Hall set a number of records. And all of them are freshmen. Only distance runner Katie Murphy graduated from the squad.

Women's softball had trouble getting their season off the ground. The team dropped their first eight games before picking up a win against Oakland. The team was defeated in the



first round of the state tournament, losing to Albion and to Siena Heights in ten innings. The team is full of talented athletes, however. Lynn and Karen Bobo, Mary Kaminski, Delores Knuckles, and Sara Walters are all fine athletes who will provide a solid base for women's softball in the following years.

The lacrosse club barely had a season. The team played only three games and lost each of them. In the final game, they put up their best struggle of the season, but lost to Albion 11-6. In that game Don Fehmel scored three times and Louis Schmidt, captain Tom Shafer, and Jeff Emory each scored a single goal.

Men's Tennis was another disappointment. Though the team failed to finish with an impressive record, nearly every match was very close. First singles player Bob Banks and second singles Bill Decker combined for an impressive 9-3 doubles record that was the only positive sign for the entire team.

The women's IM season finally got underway during the spring season. In volleyball, the Proud Independents defeated Mass Confusion in the finals to become 1980 IM champs. There were no playoffs in IM softball, but the season was deemed a success by all participants. Four teams finished the season: Waterman, McIntyre, Mass Confusion, and KKG. Waterman complied the best record, winning both of their games.

Men's IM softball brought no surprises. Again, the TKEs prevailed, climaxing an almost perfect IM record. In the finals the TKE squad scored in the bottom of the seventh inning to beat Oly's Party Pack, 15-14.

Though the spring sports teams at Hillsdale failed to compile impressive records, they have much to look forward to. Nearly every team will return the majority of its top athletes who, like those athletes in the winter sports will return to make the 1980-81 sports year even better.

Editor's Note —

While on WHIP in the spring of 1979, I was asked to apply for the position of editor of the WINONA. Had I been aware of the difficulties, deadlines, late nights, and tremendous pressures, I probably would not have even considered the job. But I am not being fair. Why is it that we always look at the bad memories? Ten years from now, I will remember the friends I made — those who would print pictures no matter what else they had to do, those who were always ready to help with other sections after they had completed their own.

There were occasions when I wondered if this book would be published on time. Yearbooks are notorious for being late. In my efforts to get this one out on schedule, I hope I have set a new standard — or rather renewed an old one. I do not envy anyone who has to distribute the previous year's books to one thousand students in the midst of finals.

Now, after all the lessons I have learned, I sometimes get the urge (only sometimes) to try again, only the next time make everything better. We began this year with a very green staff. I, myself, had never even done a complete layout. Of the seven section editors, four were freshmen, and four did not even know what a layout was.

My greatest gift was Todd Nicholson, who not only was my business manager, but also acted as photography manager. So while I was instructing the staff with the basics, Todd made sure all events were covered and that the pictures were plentiful. I knew that if he had ever walked away, I would have been totally lost.

By taking on this job, I have learned a lot about responsibility. You have to be tough. The first time through, you learn numerous lessons, but you grow stronger and wiser with each step. I finally feel a sense of accomplishment. I have now proven to myself, and to others, that I can take on a mammoth job and get it done completely and thoroughly.

With the meager budget allotted to me by Federation, I, with my dependable staff, have tried to publish the best yearbook possible. Devoid of decoration, extravagance, and extra pages, I dedicate the 1980 WINONA to the senior class. It is their own scrapbook without the worries of yellowing tape, ripped newspaper clippings, ticket stubs, and loose pictures of the many friends they made.

I extend my thanks to Cheryl Yurchis and Doug Bynum for the advice and aid they gave me, and to the mailroom for helping me meet my deadlines.

In closing, I give my sincere apologies to all those people who become offended for misspellings, misnomers, and obvious goofs. My only excuse is that no book ever gets published in just one edition without any mistakes.

Good luck to David Kibbe in 1981.
